Additionally, I understand that it is my responsibility to ensure that sufficient funds are in the account when the transfer is scheduled to take place. The transfer will attempt for up to 30 days until either the full payment due is satisfied, or the deposit amount requested is available. If sufficient funds do not exist for credit card payments, I understand that it is my responsibility to make other payment arrangements for that month. Credit card payments **DO NOT** attempt to pull for 30 days.

I understand that the above mentioned payment transfers will continue until EastRise Federal Credit Union receives written notification to stop them or the loan or credit card balance is paid in full, whichever occurs first.
