¹ Limit of one (1) Essential Money Market account per person.

² Refer to page 2, items 2 and 12 for additional information about Checking Plus account information and requirements.

³The 9-month new money certificate special will be offered for a limited time and will renew to the 1 year term at maturity. New money is defined as funds not currently on deposit at EastRise. The 9-month existing money certificate special will be offered for a limited time and will renew to the 1-year term at maturity. Existing money is defined as funds already on deposit at EastRise.

⁴ Limit of one (1) Future Saver Plus certificate per person.

Federally Insured by NCUA

Truth-in-Savings Disclosure

Except as specifically described, the following disclosures apply to all accounts:

1. Membership Par Value

The par value for one share is \$5. To be a member of the Credit Union, you will be assigned a member number and a membership share account to hold the \$5 par value of your one share in the Credit Union. The membership share account will not earn dividends, cannot be transacted on, and will not receive periodic statements. When membership is terminated, the amount from the membership share account will be returned to you, if applicable. Each owner on a multiple owner account must be a member of the Credit Union and must fulfill all the membership requirements, including each owner purchasing and maintaining at least one share in an account.

2. Rate Information

The Dividend Rate and Annual Percentage Yield on the accounts are identified above. The Dividend Rates and Annual Percentage Yields are the prospective rates as of the effective date shown above. For all accounts except fixed rate Certificates, the Dividend Rate and Annual Percentage Yield may change at any time as determined by the Credit Union. Green Money Market accounts, Coverdell Education certificates, and variable rate IRA certificates are tiered rate accounts. For these accounts, if the balance falls within the range for a particular tier, the dividend rate applicable to that tier will apply to the full balance in the account. Essential Money Market accounts, Checking Plus accounts, and Future Saver Plus certificates are also tiered rate accounts. For these accounts, the specified Dividend Rate for a tier will apply only to the portion of the account balance within that tier; and the Annual Percentage Yields, which vary depending on the balance in the account, are shown for each tier.

For fixed rate certificates, the Dividend Rate and Annual Percentage Yield will be in effect for the term of the account. For variable rate certificates, the Dividend Rate and Annual Percentage Yield may change at any time as determined by the Credit Union. The Annual Percentage Yield for all certificates is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

3. Nature of Dividends

Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

4. Compounding and Crediting

Dividends will be compounded and credited monthly. The dividend period begins on the first calendar day of the month and ends on the last calendar day of the month.

5. Accrual of Dividends

Dividends will begin to accrue on noncash deposits (e.g., checks) on the business day you make the deposit to the account. If you close the account before accrued dividends are credited, accrued dividends will be paid.

6. Balance Information

The minimum balance required to open each account and earn the stated Annual Percentage Yield is identified above. If you do not maintain the minimum balance, you will not earn the stated Annual Percentage Yield. For all accounts, dividends are calculated using the Daily Balance method, which applies a daily periodic rate to the balance in the account each day.

7. Rewards/Bonuses

Any rewards or bonuses of \$10 or more paid on dividend bearing accounts are subject to Internal Revenue Service reporting.

8. Inactive Accounts

For Savings and Checking accounts, if there has been no activity on the account(s) for 365 consecutive calendar days and the account has a zero balance, the account will be closed without notice to you.

9. Account Limitations

For a Holiday Club account, the entire balance will be transferred to another account of yours, or by check to you, on or after October 15. The account will remain open after the balance is paid out each year.

10. Additional Certificate Account Features

a. Account Limitations

After the account is opened, you may not make additional deposits to a certificate account until maturity except for the following exceptions: fixed rate IRA certificates allow additional deposits in amounts of \$250 or more at any time; and variable rate IRAs, Coverdell Education, Future Saver, Future Saver Plus, and Uniform Transfer to Minor certificates allow additional deposits of any amount at any time.

b. Maturity

The certificate account will mature on the maturity date set forth on your Certificate Account Receipt provided at account opening or your Certificate Maturity Notice.

c. Early Withdrawal Penalty

We may impose a penalty if you withdraw any of the principal of the certificate account before the maturity date.

1) Amount of Penalty. The amount of the early withdrawal penalty is based on the term of the account, as follows: i) For accounts with terms of one (1) year or less, the penalty is equal to 90 days' dividends on the amount withdrawn; or ii) For accounts with terms of more than one (1) year, the penalty is equal to 180 days' dividends on the amount withdrawn.

2) How the Penalty Works. The penalty applies irrespective of whether the dividends have already been earned or not. If accrued dividends are insufficient to pay the penalty, or earned dividends have previously been withdrawn, the penalty will be deducted from principal.

3) Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: i) when an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction; ii) where the account is an IRA and any portion is paid within seven (7) days after establishment; or iii) where the account is an IRA and the owner attains age 59½ or becomes disabled and begins making periodic withdrawals.

d. Renewal Policy

By default, certificates are set to automatically renew at maturity. However, when the certificate is opened, or at any time prior to maturity, you have the choice to not have it renew automatically. If you choose to not automatically renew the certificate, at maturity, your funds will: i) be transferred to another EastRise account you selected; or ii) renew to a term you selected at time of maturity. If you choose to default to automatically renew the certificate, each renewal term will be the same as the original term. For all certificates, you have a grace period of ten (10) calendar days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. Promotional/Special certificates may not have an automatic renewal feature or automatically renew to the same term. Refer to the Rate and Fee Disclosures and Certificate Account Receipt provided at account opening, and the Certificate Maturity Notice for information on certificate renewals.

e. Nontransferable/Nonnegotiable

The account is nontransferable and nonnegotiable. The funds in the account may not be pledged to secure any obligation of an owner, except obligations with the Credit Union.

11. Edge Pay Checking Account Program Features

Edge Pay checking accounts are subject to the following additional terms and limitations. When you enroll in our Edge Pay program, the amount of any purchase you make using your Edge Pay Checking Account debit card is rounded up to the nearest whole dollar. The difference between the purchase amount and the whole dollar amount will be transferred from the Edge Pay checking account to a designated Savings or Money Market account you choose. The Credit Union will match 50% of the rounded-up transfers for a maximum of \$5 each month. The Credit Union match funds that are deposited into the designated account are considered Rewards and are subject to Internal Revenue Service reporting per Provision 7 above. The match begins after the account has been open for 30 days and must have a balance greater than \$0.00 for the match. Match deposits are credited at month end. Edge Pay is a paperless and electronic checking account. Checks are not issued with the account. Access to account information and statements is through Digital Banking and eStatements. Edge Pay checking accounts are not eligible for overdraft protection services which means that if you do not have sufficient funds in your account to cover a transaction it will be denied and/or returned to you unpaid. Additional merchant fees may be applied. If you do not opt in to receive eStatements, you will be charged a paper statement fee. There is a monthly subscription fee for the Edge Pay account. See the Rate and Fee Disclosure.

12. Checking Plus Account Program Features

To earn dividends, you must meet the following requirements each calendar month: i) direct deposits totaling \$1,000 or more; ii) 15 debit card transactions that post and settle to your account; and iii) be enrolled in eStatements. If the account does not meet these requirements during the calendar month, the account will not earn dividends for that month and a new period will start over the following month. Requirements waived for the calendar month the account was opened.

Fee Schedule

Abandoned Property	\$25 per membership
Bill Pay Overnight Check Payment	\$14.95 per transaction
Bill Pay Same Day Electronic Payment	\$9.95 per transaction
Card Replacement – ATM or Debit (Standard)	\$5 per card; 1 free per account per year

¹You may use your ATM/debit card from us at any of our ATMs without incurring a fee. If you use an ATM not owned by us, the non-EastRise Credit Union ATM fee will apply as outlined above. Additionally, you may incur a surcharge fee from any institution for using their ATM. Transactions through the CO-OP Network are surcharge-free. The \$1.50 non-EastRise Credit Union ATM fee will be charged if applicable.

²The NSF/Overdraft fee is charged each time an item is presented for payment against insufficient available funds. Multiple presentations of the same item may result in multiple fees.
